

## **All About Drop-ins**

- Drop-ins are bowling events where members and guests come to the club not knowing who they are going to bowl with and what game they are going to play.
- Depending on how many people show up, teams are decided by a “draw from the hat” or arranged by the convenor for that day.
- Games played are usually triples, pairs, or “cut-throat” singles.
- Drop-ins are in the early afternoon on Monday, Wednesday, and Friday.
- In Spring, Summer, and Fall when the days are longer, there is evening bowling on Tuesday, Thursday, and Friday starting at 6:30 pm.
- On Fridays we usually have a mini social with coffee and treats.

Drop-ins are weather dependent. Members are advised by email if there are cancellations due to the weather.
