

All About Leagues and Competitions

The club has two leagues that members can join to play from early June to late August.

Leagues played within the club (intraclub leagues): There are Mixed Triples on Monday morning, and Australian Pairs on Thursday morning. Games start at 10:00 AM but may change to 9:00 AM as the weather gets hotter. Members pay a fee that goes towards prize money to join this league. Sign up sheets are posted on the bulletin board until late May. Teams are decided in a draw by the convenor and an assistant. Adjustments to a team draw may be needed if a draw shows certain teams with a definite advantage.

Competitions with members of other clubs (interclub games): If you would like to compete with members of other clubs, there are a few ways you can get involved:

- You can sign up for visitations. Our club hosts several visitations, and members may sign up to visit other clubs to compete. You will discover what it's like to bowl on grass.
- V&D (Vancouver & District) Games: You can make up a team and play in competitions listed in the V&D Handbook. We have a few of these tournaments at our club:
 - Rodeo Fours
 - Mixed Triples
 - Women's Triples

The club will have the most recent copy of the V&D Events handbook in April.

- It is an excellent resource for members to check
- Members can form a team to play in the Tri-Cities League (Langley, Mann Park, and Surrey). This league plays on Wednesday evenings and is not part of V&D. *Take note that the Tri-Cities League was discontinued due to COVID and there is no information at this time when the league will restart.*
