As always there are the volunteers who worked to get everything ready for the big event. A big “thank you” to Andy for taking the time making the greens look great, as he always does. Garry M. and Rick K. helped the game day set up and clean up, aided by Andy. The kitchen was smoothly run by Liz A., Helen A., Cathy R., Darlene M., Joyce H. (who also helped with the registrations) and Fran M. who pulled double duty as the lead for Team Rod T. (Surrey).

Thank you everyone.

Harry (convener)
