

All About Drop-ins

- Drop-ins are bowling events where members and guests don't know who they are going to bowl with and what game they are going to play.
 - e.g. triples, pairs or "cut-throat" singles
- Depending on how many people show up, teams are decided by a "draw from the hat" or arranged by the convenor or "opener" for that day.
- For this 2026-2027 season only, Affiliate members may play in our club leagues.
- Due to fewer members available to open for drop-ins, folks can use Open Greens on days where club leagues are scheduled.
- \$5 drop-in fee for non-members; up to five times, then apply to be a member. The \$25 would go toward the \$150 membership fee. Application forms and Waivers are available to download from our website.
- Tuesday and Friday will be evening drop-ins. Also, on Fridays, after bowling, we will have a little social time with snacks and refreshments.
- Drop-ins are also weather dependent and in Winter no bowling if below 5 deg C.

Members are advised by email if there are cancellations due to the weather.
